In November 2003, members of the UCEA Plenum, a part of the organization’s governing body, voted to establish the UCEA Barbara L. Jackson Scholars Network. Through this effort, UCEA has created a network of graduate students of color who are studying in UCEA member institution educational leadership doctoral programs, and who are planning to enter the professorate.

The UCEA community is cordially invited to help celebrate the 10th Anniversary of this important program and the legacy of Professor Barbara Jackson during the Friday evening general session and reception, 6:15–9:00 pm, Cosmopolitan A&B.

Congratulations to 1st- and 2nd-year Jackson Scholars in celebration of the 10th anniversary of the Jackson Scholars Network.
